## **HOW CAN YOU HELP DELAY THE NORTH HILL LOCAL AREA PLAN?**

Many concerned citizens stood up to speak against approving the North Hill Communities Local Area Plan at Public Hearings on March 22-24, 2021 and May 5, 2021. Rather than taking the time to further engage with residents to improve the NHCLAP based on community-level feedback, it will go to Council for approval on June 21 in an effort to push it through. There will be NO opportunity for citizen input and NO public hearing. Do you know what that means for you and your street?

**IF YOU WANT MORE TIME TO ENGAGE AND BE HEARD, YOU MUST ACT NOW.**
